BISHOP ATTACKS ROOSEVELT. In Atlania, Ga., yesterday in discussing appeals ascribed to President Roosevelt, Mr. Tait, and others for the breaking of the "Solid South," B shop War-ren Chandler, of the Methodist Episco-pal Church South said:

"Our pictorerque president has assured the country that We need through executive action and through legislative action, and through judicial interpretation and construction of the law, to in-crease the power of the federal government,' but at the risk of initiation into the 'Ananias Club,' or classification with the 'andesirable cit zens,' I am bound to tell him such talk is perfidy to his official

Both Mr. and Mrs. Carska idon had been shot through the back of the beat, the bullets crushing through their brains A revolver was found on the floor at their bedside.

The theory of the police is that the couple agreed to die together; that the the pistol on himself. The man's hand was hanging over the bed and the pistol used was on the floor less than a foot

MORE EARTHQUAKE SHOCKS. A strong undulatory shock yester-

day afternoon caused much slarm at Messina and resulted in the fall of the remosots of shattered walls. So far ssis known no one was killed. The situation for the refugees who are still at Messina is very serious. They have found shelter in tents, but for the last day or two a cold north wind has prevailed and there has been a fall of snow. a very rare occurrence on the Sicilian Ington Street. cosst. The quakes are not being registered by the observatories in the immediate vicinity, which is evidence that the movements are local only.

Japanese Threat.

Tekie, Jan. 19 - Sooner or later, repeated insults will compel Japan to resort to a determined policy of self-protection." This declaration in the Hochi, of Yokobsms, is being construed today by American residents here as a threat of war unless California's legislature adopts a less radical course in its proposed anti-Japanese legislation. The article concludes: "The Hochi appeals to the president and people of America.
Although the Japanese still believe the
magnanimity displayed in the past will continue, the craseless assaults are exhausing our boundless patience. For the sake of peace in the Pacific, don't anger us."
